

Women Involved in Community Transformation Information Roadshow

Would you like to be involved in a programme that gives you the confidence and skills to help make the changes you want to see in your community.

Women are often at the heart of local neighbourhoods but when it comes to making decisions about these areas they are frequently ignored.

The Women Involved in Community Transformation Programme (WICT) aims to offer women training and skills to build confidence and increase their participation in their communities.

Participants will receive training, hear from inspiring speakers, attend events and learn vital new skills in an environment that is safe and enjoyable. Women taking part will also receive support to enable their participation including childcare.

If you are interested in taking part in this programme please come along to the following WICT Roadshow.

| VENUE | DATE | TIME |
|----------------------------|------------------------|-------------|
| Focus on Family, Coleraine | Thursday November 23rd | 10.00am |

**To register for any of these events please email:
